This is not about being a lawyer. Whatever you're working on, do your research.

Ask yourself:

Where can I dig for the most compelling information to further my goals?

FORMULATE THE BEST STRATEGY

Your victory is in your strategy. Cadena strategized with a team of lawyers, picking each other's brain to come up with the optimal approach. **Ask yourself:**

With whom can I strategize to formulate the best strategy to move forward on my success journey?

FIGHT THE RIGHTEOUS CAUSE

Check your motives. **Ask yourself:**

What steps can I take to ensure that my motives are pure? . . . that the cause that I'm working on is worthy of my devotion? . . . that I'm striving to achieve goals that not only improve my situation but you also enhance the circumstances of others?
